

Engage Your Peers on Social Media: Post Templates

f FACEBOOK AND in LINKEDIN POSTS

1. Join me and other community leaders to help forge a path to a thriving future for all. **Path to Positive Communities** is bringing citizens and community leaders together to engage and inspire our towns, cities and states on #climate change solutions. It's free and easy to join! www.pathtopositive.org
2. As leaders of our towns, cities and states, it's our job to inspire our communities to get involved in climate change solutions. My community is on a #path2positive along with a diverse network of community leaders via **Path to Positive Communities**. Are you in? www.pathtopositive.org
3. Lead on climate change solutions by joining my community and others in the **Path to Positive Communities** initiative. Explore the practical tools and resources to get your towns, cities and states started on a #path2positive for #climatesolutions www.pathtopositive.org
4. Upon reflecting on what I am seeing around me, and in support of my community, I have decided to increase my efforts and do something about climate change. I have joined **Path to Positive Communities**, a new national program and network – from community leaders, for leaders of communities – to lead by example and engage others in climate solutions. I haven't always led on climate change, but I now feel compelled to do so. I know we can do more to care for our future, and get on a #path2positive. Join me! www.pathtopositive.org
5. Are you ready to #LeadOnClimate with us? Explore **Path to Positive Communities'** practical tools and resources to get your community engaged on climate change solutions www.pathtopositive.org
