HOW-TO GUIDE

Climate Activist and Educator Mobilizing the Nursing Workforce on Climate Change Advocacy

Janice Evans Hawkins, PhD, RN, CNS, FAAN - [Old Dominion University](#)

Professor Hawkins's work as a climate activist and educator mobilizes the nursing workforce for climate change advocacy.

Dr. Hawkins uses multiple platforms and establishes partnerships with national and international organizations to expand the reach to nurses

everywhere, working to educate and prepare nurses as climate activists. She equips nurses with replicable strategies, knowledge, skills, and resources to mitigate climate change as it relates to population health, health equity, and justice.
